

Official Notification of the 2019 Voice for Life Annual General Meeting (AGM)

This is to advise you that the Voice for Life Annual General Meeting (AGM) will be held on **Saturday, April 27th, 2019**, at Parkview Meadows Christian Retirement Village, Craft Room, 72 Town Centre Dr. in Townsend, ON. Meet & Greet at 1:30 p.m.; Meeting 2:00 – 4:30 p.m. Light refreshments will be available.

The Meeting will include a financial report and a year-end review, including various reports. Any nominations received for additional Directors for the Board will be presented, as well as requests from the floor. There will be an interactive discussion on goals for the coming year. Event organizers are urgently needed to aid in improving progress in community outreach programs/projects. Your input and help are vital for the new and existing programs to move forward.

Motions or Resolutions related to general policy and day-to-day activity can be put forward at the AGM by members present. By-law Motions may be discussed, but proposed amendments must be distributed to all members before any vote. This can be done by a letter ballot.

Nominations - if you wish to put your name forward, or nominate another member as a candidate for the Board, both memberships must be current. Please consider being a part of the Voice for Life Board. Nominations are needed now, and can be presented right up to the time of asking at the AGM.

All successful Nominees to the Board ideally serve for a 3-year period as a Director, and can accept/reject nominations to hold an Executive position at the first Board meeting following their election at the AGM. This year, candidates who would accept or help with the various Executive positions is most important, especially for the President.

If you are a member who is unable to attend the AGM, you may appoint another member (both of you with **2019** memberships) to vote on your behalf by Proxy, or to present your Nomination. The person you appoint has to present your written request when he/she registers at the AGM.

To vote, you must have a **2019** membership. Only renewals can be made at the door when registering. New memberships must be taken out before the meeting date, and you must agree with Voice for Life Objects and Principles. A copy of these documents will be available at Registration or can be sent to you if requested.

Thank you and May God Bless.
