You Are Invited !

Please reserve Thursday the 30th of April, 2020, starting at 6:00 p.m., for an evening of food, faith and sharing at this year's Annual Meeting.

All members, supporters and friends of Voice for Life are invited to the Annual General Meeting at the VFL Office, 29-B Peel Street, Simcoe. We will begin at 6:00 p.m. with a potluck supper, followed by short informative videos, regular Director reports, and then share our ideas together on how Voice for Life should proceed over 2020 and after. Only Members in good standing can vote on Motions or Nominations, so renew or get a membership now, but everyone can 'brainstorm'.

So bring a favourite dish to share. It is greatly hoped that through our interaction and discussion, new options and programs can be formed, and existing events improved, which then can assure the continued presence of Voice for Life in the Community.

Voice for Life runs entirely on donated funds from individuals, service organizations, and churches, and, of course, on lots of donated time - *thanks volunteers!* It conducts its work through education, service and prayer.

We are looking forward to your participation. For more information, contact our Secretary, Barra Gots.

Unplanned DVD

The movie "Unplanned" is available for loan from the Voice for Life Office. This film has stirred hearts. We pray that it continues to encourage people to get involved in changing hearts and minds for life.

"Promoting, through public education, the respect for life from the moment of conception to the end of natural life."

Voice for Life Prayer Chain - offers support & encouragement

Hello everyone: "Grace and peace to you from God our Father and the Lord Jesus Christ" (2 Cor 1:2). I pray that during this new year everyone will be full of God's grace and peace as we look to Him with all of our concerns and requests, and, as we look to God, that we can have the hope that comes from only Him and that we can pass that hope on to others.

Personal needs: That we ourselves will never be discouraged in our mission. It is so important to look to God for our strength during difficult times. We cannot do our mission or calling on our own. We need God's help to do His work. Winter is hard on people with disabilities, people who are ill and older people, they can get very discouraged and lonely. Please be a friend to someone in your life. Pray for them and the many ones that you do not know.

VFL or life issue needs: I am so thankful for the VFL display being at the Simcoe Christmas Panorama. Whenever I drove past or stopped by the VFL display and saw people looking at it, I could only imagine what was going on in their minds and hearts. I pray for those people, that the truth of Scripture and the figures used in the display would have a wonderful and spiritual impact on them.

VFL needs volunteers especially for setting up and tearing down displays or staying at the booths for a couple of hours. It does not take a lot of time, but when only a few do most of the work it is a lot for them. As the old saying from the early 1300's says, "Many hands make light work". Please consider volunteering yourself and praying for helpers, who can spare a little time, to volunteer. It can be very rewarding.

Also VFL needs continuous prayers for finances as everything keeps getting more expensive.

Thank you so much for taking time to read this, and I pray that everyone will keep looking to and trusting God in our own daily lives as well as many others that God lays on your heart.

Keep praying,

VFL Prayer Chain, c/o Janet Palmer, at 226-567-7474. Please phone in or e-mail your prayer needs.
